## Optimierung

|                                                                                  |             |                                                                                                                                                                                                                                                                                                                                                 |
|----------------------------------------------------------------------------------|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | XML-Sitemap | <p>Perfekt! Ihre Seite hat eine XML-Sitemap.</p> <p><a href="http://fivebells.uk.com/sitemap.xml">http://fivebells.uk.com/sitemap.xml</a></p>                                                                                                                                                                                                   |
|  | Robots.txt  | <p><a href="http://fivebells.uk.com/robots.txt">http://fivebells.uk.com/robots.txt</a></p> <p>Sehr gut! Ihre Webseite enthält eine robots.txt-Datei.</p>                                                                                                                                                                                        |
|  | Analytics   | <p>Fehlt</p> <p>Wir haben nicht ein Analyse-Tool auf dieser Website installiert zu erkennen.</p> <p>Webanalyse erlaubt die Quantifizierung der Besucherinteraktionen mit Ihrer Seite. Insofern sollte zumindest ein Analysetool installiert werden. Um die Befunde abzusichern, empfiehlt sich das parallele Verwenden eines zweiten Tools.</p> |
