|  | Veraltetes HTML                    | Sehr gut! Sie verwenden aktuelle HTML Tags in Ihrem Webseitenquelltext.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|  | Tipps zur Webseitengeschwindigkeit | <div>  Sehr gut, denn Ihre Webseite benutzt keine verschachtelten Tabellen. </div> <div>  Schlecht, denn es wurden CSS-Angaben in HTML-Elementen entdeckt. Diese Angaben sollten in ein entsprechendes CSS-Stylesheet verlagert werden. </div> <div>  Nicht so gut, denn Ihre Webseite enthält sehr viele CSS-Dateien (mehr als 4). </div> <div>  Nicht so gut, denn Ihre Webseite enthält viele Javascript-Dateien (mehr als 6). </div> <div>  Ihre Webseite nutzt die Vorteile von gzip nicht. </div> |
