ages which has a variety of educational learning subjects, including, Math (HoliMath X multiplication x, HoliMath division : , HoliMath adding +, HoliMath subtraction -) Geography (HoliGeo), Chemistry (HoliKem), Art (HoliArt), General Culture/TRIVIA HoliTrivia), Preschool and others that are in current development. What is HoliMaths X? ● It is a fun educational family game that teaches while it entertains. The game deals with the basic learning and exercising of the Multiplication Tables. ● The dynamics of the games allow cognitive motivation of fun and meaningful learning. It incorporates strategy, reinforcing contents learned at school, a must have tool for homeschooling families. ● Attractive for both, children and adults who want to learn and exercise the Multiplication Tables in a fun and didactic way. ● The game has 10 different ways to play, four strategy games and six training games, from the traditional Solitaire game up to multiplayer versions. It encourages collective interaction among players and develops social and emotional intelligence. It is designed to be played from school age kids up to adults, emphasizing intergenerational interaction, integrating parents in the children's learning process in an exciting and engaging method for the whole family. ● The mechanics of the game based on Problems-Solutions solving and matching help develop logical thinking, decision making and problem solving in the children's learning process. There are provided instructive and didactic Help Cards? for each player to find solutions to problems. This aid reduces the anxiety that could be caused by not remembering the result of an operation only by memorization but through knowledge. ● This game will improve your children's results and performance at school as well as self-esteem. ● Many schools are already using the HoliMaths X method in class as a complement for the learning process. Some of them are: SEK International School, Trinity College, Colegio La Merced, Colegio Instituto Inglés de Rancagua, The Newland School.

- [H3] If an educational game does not have enough elements to encourage and fuel an adult, it would not motivate a child. HoliPlay games make studying an entertaining activity for the whole family.
