- [H4] Kerassentials is an oil treatment crafted to combat toenail and skin fungus. It combines ingredients to promote overall nail and skin health effectively. The active components such, as acid and tea tree oil possess antifungal properties that directly fight toenail fungus. Derived from castor oil, undecylenic acid creates an environment that hinders growth while tea tree oil works to eradicate infections and stimulate healthy nail growth. Upon application Kerassentials deeply nourishes the nails. Surrounding skin with nutrients and moisture enhancing their strength. By moisturizing the nails to prevent brittleness and breakage it also targets the infection for complete elimination. Additionally the oil includes flaxseed oil, almond oil and aloe vera for added nourishment and defense, against nail and skin issues. Kerassentials do not target the symptoms of nail fungus. Also tackles the root cause, for lasting results. It boosts the body's defenses against fungal infections, promotes nail growth and enhances the overall appearance and condition of nails and skin. Using Kerassentials regularly helps maintain nail health making nails stronger, smoother and more resistant while reducing the chances of fungal infections.

- [H5] Description: Undecylenic acid is a fatty acid extracted from castor oil. It possesses properties and is commonly used for treating fungal infections, including toenail fungus.Function: It disrupts fungi cell membranes, halting their growth and spread. Undecylenic acid is approved by the FDA for treating fungal infections and works effectively against types of fungi.Benefits: Aids in nail fungus treatment encourages nail growth and shields against infections.
- [H5] Description: Tea tree oil is sourced from the leaves of the

SEO Content

		<p>Melaleuca alternifolia tree. It is renowned for its antimicrobial, antifungal and antiseptic qualities. Function: It eradicates fungi and bacteria, reduces inflammation and supports healing. Benefits: Tea tree oil works well for treating infections, on nails and skin. It's beneficial for addressing toenail fungus, soothing skin and maintaining skin health.</p> <ul style="list-style-type: none">• [H5] Description: Organic flaxseed oil, extracted from flaxseeds, is packed with omega 3 acids for healthy skin and nails. Function: It helps moisturize and nourish nails and cuticles, strengthens brittle nails and promotes nail growth. Benefits: This oil hydrates nails and aids in repairing damaged ones. Possesses inflammatory properties.• [H5] Description: Almond oil comes from almonds. Is rich in vitamin E, fatty acids and antioxidants. Function: It moisturizes nails and cuticles while safeguarding against infections to support nail growth. Benefits: The benefits include strengthening nails, reducing inflammation and enhancing the appearance of the nails.• [H5] Description: Aloe vera is a succulent plant renowned for its qualities. Function: Its gel extracted from leaves is widely used in skincare due to its calming effects that aid in healing. Benefits: Aloe vera boasts properties along with being anti-inflammatory; it moisturizes both the skin and nails while facilitating healing processes.• [H5] Description: Tocopheryl acetate is a stable form of vitamin E, a powerful antioxidant that protects cells from damage. Function: It moisturizes the nails, protects against free radicals, and promotes healing and repair of the skin and nails. Benefits: Strengthens nails, improves nail texture, and reduces the appearance of nail damage.• [H5] Description: Lemongrass oil is extracted from the leaves and stems of lemongrass plants. It has antimicrobial and anti-inflammatory properties. Function: It inhibits fungal growth, reduces inflammation, and soothes irritated skin. Benefits: Helps in the treatment of nail fungus, refreshes and rejuvenates the skin, and has a pleasant citrus scent.• [H5] 60-Days Money Back Guarantee
