SEO Keywords

| | |
|-------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------|
|  Keywords Cloud | innovation foundations piquaconcrete piqua project concrete structural construction commercial services |
|-------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------|

Keywords Consistency

| Keyword | Content | Title | Keywords | Description | Headings |
|--------------|---------|-------|----------|-------------|----------|
| concrete | 24 | ✓ | ✓ | ✓ | ✓ |
| construction | 11 | ✓ | ✓ | ✓ | ✓ |
| structural | 10 | ✗ | ✗ | ✗ | ✗ |
| project | 8 | ✗ | ✗ | ✗ | ✓ |
| services | 7 | ✗ | ✓ | ✓ | ✓ |

Usability

| | |
|-------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------|
|  Url | Domain : piquaconcrete.com Length : 17 |
|  Favicon | Very bad. We have not found shortcut icon. Icons are one of easy ways to attract regular visitors to your website more often. |
|  Printability | We could not find a Print-Friendly CSS. |
|  Language | Good. Your declared language is en. |

Usability

| | | |
|-----------------------------------------------------------------------------------|-------------|---------------------------------------------------|
|  | Dublin Core | This page does not take advantage of Dublin Core. |
|-----------------------------------------------------------------------------------|-------------|---------------------------------------------------|

Document

| | | |
|-------------------------------------------------------------------------------------|-----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | Doctype | HTML 5 |
|  | Encoding | Perfect. Your declared charset is UTF-8. |
|  | W3C Validity | Errors : 0 Warnings : 0 |
|  | Email Privacy | Great no email address has been found in plain text! |
|  | Deprecated HTML | Great! We haven't found deprecated HTML tags in your HTML. |
|  | Speed Tips | <ul style="list-style-type: none"> Excellent, your website doesn't use nested tables. Too bad, your website is using inline styles. Great, your website has few CSS files. Perfect, your website has few JavaScript files. Too bad, your website does not take advantage of gzip. |

Mobile

| | | |
|-------------------------------------------------------------------------------------|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | Mobile Optimization | <ul style="list-style-type: none"> Apple Icon Meta Viewport Tag Flash content |
|-------------------------------------------------------------------------------------|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Optimization

| | | |
|-------------------------------------------------------------------------------------|-------------|-----------------------------------------|
|  | XML Sitemap | Great, your website has an XML sitemap. |
|-------------------------------------------------------------------------------------|-------------|-----------------------------------------|

Optimization

| | | |
|----------------------------------------------------------------------------------|------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | http://piquaconcrete.com/sitemap.xml |
|  | Robots.txt | http://piquaconcrete.com/robots.txt Great, your website has a robots.txt file. |
|  | Analytics | Missing We didn't detect an analytics tool installed on this website. Web analytics let you measure visitor activity on your website. You should have at least one analytics tool installed, but It can also be good to install a second in order to cross-check the data. |
