from planning through completion. No matter what kind of stump grinding and removal you need to be done, our experts have got you covered! 217-629-6661 FAQ - Springfield IL Tree Removal How long does it take to complete a tree service?Tree service projects can vary in length depending on the size and complexity of the job. Generally, a basic tree trimming job may take anywhere from one to four hours, while more complex jobs such as tree removal or stump grinding could take an entire day or longer.It's important to note that some factors such as access to your property and available equipment can also affect the amount of time it takes to complete a tree service project. What is the cost of tree service in Springfield IL?Tree service can vary in cost depending on the type of job and the company you choose to hire. Generally, tree removal services are more costly due to the difficulty of safely cutting down and removing large trees, while tree care or pruning services tend to be less expensive.The average cost for a basic tree trimming job is usually between \$100-300, while more extensive jobs like stump removal may run closer to \$400-500. In Springfield IL, prices will depend on local companies so it's best to compare quotes from multiple providers before making your decision. How long do tree services last?Tree services can last a long time depending on the type of service you choose and the tree's size. Regular maintenance, such as trimming and pruning, is necessary to keep your trees healthy and strong.If done correctly, these services can prevent larger issues from occurring. In some cases, more expensive repairs may be required or even removal.By hiring a qualified arborist for your tree service needs, you can ensure that your trees are properly taken care of. They will last for many years to come. Is tree service covered by insurance?Tree service can be covered by insurance depending on the individual policy. Generally, most policies will cover the removal of a dead or diseased tree if it poses a risk to property or people.Policies may also cover damage caused by fallen trees, as well as stump grinding and removal of any debris left behind.If you're uncertain whether your policy covers tree service, check with your insurance provider for more details.
