- [H4] Kerassentials is an oil treatment crafted to combat toenail and skin fungus. It combines ingredients to promote overall nail and skin health effectively. The active components such, as acid and tea tree oil possess antifungal properties that directly fight toenail fungus. Derived from castor oil, undecylenic acid creates an environment that hinders growth while tea tree oil works to eradicate infections and stimulate healthy nail growth. Upon application Kerassentials deeply nourishes the nails. Surrounding skin with nutrients and moisture enhancing their strength. By moisturizing the nails to prevent brittleness and breakage it also targets the infection for complete elimination. Additionally the oil includes flaxseed oil, almond oil and aloe vera for added nourishment and defense, against nail and skin issues. Kerassentials do not target the symptoms of nail fungus. Also tackles the root cause, for lasting results. It boosts the body's defenses against fungal infections, promotes nail growth and enhances the overall appearance and condition of nails and skin. Using Kerassentials regularly helps maintain nail health making nails stronger, smoother and more resistant while reducing the chances of fungal infections.
