- [H4] Puravive supplement formulated with a proprietary blend of eight tropical nutrients and plants, offers a wide range of health benefits. Its primary function is to support weight loss, but its ingredients also provide various additional health advantages. Here are six significant benefits of using Puravive:
- [H4] Today's Price: \$39/per bottle
- [H5] Luteolin is a naturally occurring flavonoid found in plants like perilla frutescens. It is known for its potent antioxidant properties, which help protect cells from oxidative damage caused by free radicals. Luteolin supports brain health by reducing inflammation and protecting neurons from stress, which can enhance cognitive function and memory. Additionally, it supports healthy cholesterol levels by preventing the oxidation of low-density lipoprotein (LDL) cholesterol, thereby reducing the risk of plaque formation in arteries. By boosting brown adipose tissue (BAT) levels, luteolin also contributes to increased calorie burning and weight management.

- [H5] Kudzu, derived from the root of the pueraria lobata plant, is another vital ingredient in Puravive. Kudzu has been traditionally used in Chinese medicine for its wide range of health benefits. It is rich in antioxidants, which help combat oxidative stress and support overall health. Kudzu is known for its ability to boost BAT levels, thus enhancing the body's ability to burn fat. Furthermore, kudzu supports cardiovascular health by improving blood flow and reducing blood pressure. Its anti-inflammatory properties help alleviate pain and reduce the risk of chronic diseases associated with inflammation.
- [H5] Holy basil, or ocimum sanctum, is a revered herb in Ayurvedic medicine, known for its adaptogenic properties that help the body adapt to stress and promote mental balance. By boosting BAT levels, holy basil enhances metabolism and supports weight loss. It also supports brain health by reducing stress and anxiety, improving cognitive function, and protecting against age-related decline. Holy basil's anti-inflammatory and antioxidant properties contribute to overall health by reducing oxidative stress and inflammation, supporting cardiovascular health, and maintaining healthy cholesterol levels.
- [H5] White Korean ginseng, or panax ginseng, is a powerful herb known for its numerous health benefits. It supports healthy immunity by boosting the body's resistance to infections and diseases. Ginseng also helps reduce oxidative stress, which can damage cells and lead to chronic diseases. By enhancing BAT levels, white Korean ginseng promotes fat burning and energy production, aiding in weight loss and improving physical performance. Ginseng supports mental clarity and cognitive function, helping to reduce fatigue and improve focus.
- [H5] Amur cork bark, derived from the phellodendron amurense tree, is another important ingredient in Puravive. It is known for its ability to boost BAT levels, which enhances the body's ability to burn calories and lose weight. Amur cork bark also supports digestion by reducing bloating and promoting healthy gut function. Its anti-inflammatory properties help alleviate digestive issues and support overall gastrointestinal health. Additionally, amur cork bark supports heart and liver health by reducing inflammation and protecting against oxidative damage.
- [H5] Propolis is a resinous substance produced by bees and has been used for centuries for its medicinal properties. It is rich in over 300 antioxidants, which help combat oxidative stress and support overall health. Propolis boosts BAT levels, enhancing the body's ability to burn fat and produce energy. It also supports healthy blood sugar levels by improving insulin sensitivity and reducing the risk of diabetes. Propolis's antimicrobial properties help protect against infections and support immune health. Additionally, it supports wound healing and tissue repair, contributing to overall health and well-being.
- [H5] Quercetin is a flavonoid found in many fruits and vegetables, known for its powerful antioxidant and anti-inflammatory properties. By boosting BAT levels, quercetin enhances the body's ability to burn calories and support weight loss. It also supports healthy blood pressure by relaxing blood

		<p>vessels and improving blood flow. Quercetin helps rejuvenate aging cells by reducing oxidative stress and promoting cellular repair. Its anti-inflammatory properties help reduce the risk of chronic diseases and support overall cardiovascular health. Quercetin also supports respiratory health by reducing inflammation in the airways and improving lung function.</p> <ul style="list-style-type: none"> • [H5] Oleuropein, a compound found in olive leaves, is renowned for its health benefits, particularly in supporting heart health. It boosts BAT levels, promoting fat burning and energy production, which aids in weight loss. Oleuropein supports healthy cholesterol levels by preventing the oxidation of LDL cholesterol and reducing the risk of plaque formation in arteries. Its antioxidant properties help protect cells from oxidative damage and support overall health. Additionally, oleuropein supports artery health by improving blood flow and reducing inflammation, contributing to cardiovascular health. Its antimicrobial properties also help protect against infections and support immune health. • [H6] Made In USA • [H6] GMP Certified • [H6] FDA Approved • [H6] 100% Natural • [H6]  Verified Purchase  • [H6]  Verified Purchase  • [H6]  Verified Purchase  • [H6] What is Puravive? • [H6] How does Puravive work? • [H6] What ingredients are in Puravive? • [H6] Is Puravive safe to use? • [H6] How should I take Puravive? • [H6] How long will it take to see results with Puravive? • [H6] Can I take Puravive if I have a medical condition? • [H6] Are there any side effects of taking Puravive? • [H6] Is Puravive suitable for vegetarians and vegans? • [H6] Where is Puravive manufactured? • [H6] How is Puravive different from other weight loss supplements? • [H6] Is there a money-back guarantee with Puravive? • [H6] Can I take Puravive with other supplements? • [H6] What is the recommended dosage for Puravive? • [H6] Does Puravive contain any allergens? • [H6] How should I store Puravive? • [H6] Can pregnant or breastfeeding women take Puravive? • [H6] What if I miss a dose of Puravive? • [H6] Is Puravive suitable for all age groups? • [H6] How can I contact Puravive customer support?
