- [H5] Luteolin is a naturally occurring flavonoid found in plants like *perilla frutescens*. Renowned for its potent antioxidant properties, luteolin protects cells from oxidative damage caused by free radicals. It supports brain health by reducing inflammation and safeguarding neurons from stress, which can enhance cognitive function and memory. Additionally, luteolin helps maintain healthy cholesterol levels by preventing the oxidation of low-density lipoprotein (LDL) cholesterol, thereby reducing the risk of plaque formation in arteries. Furthermore, luteolin boosts brown adipose tissue (BAT) levels, contributing to increased calorie burning and aiding in weight management.
- [H5] Kudzu, derived from the *pueraria lobata* root, is a crucial component of Puravive. Traditionally used in Chinese medicine, it offers numerous health benefits. Kudzu is high in antioxidants, aiding in the reduction of oxidative stress and promoting overall health. It boosts BAT levels, enhancing fat burning in the body. Additionally, Kudzu supports cardiovascular health by improving blood flow and lowering blood pressure. Its anti-inflammatory properties help relieve pain and decrease the risk of chronic inflammation-related diseases.
- [H5] Holy basil, or *Ocimum sanctum*, is a revered herb in Ayurvedic medicine for its adaptogenic properties, which help the body manage stress and promote mental balance. By boosting BAT levels, holy basil enhances metabolism and aids in weight loss. It supports brain health by reducing stress and anxiety, improving cognitive function, and protecting against age-related decline. Additionally, its anti-inflammatory and antioxidant properties contribute to overall health by reducing oxidative stress and inflammation, supporting cardiovascular health, and maintaining healthy cholesterol levels.
- [H5] White Korean ginseng, or *Panax ginseng*, is a potent herb celebrated for its many health benefits. It strengthens the immune system, increasing the body's defense against infections and diseases. Additionally, ginseng reduces oxidative stress, protecting cells from damage that can cause chronic illnesses. By boosting BAT levels, it promotes fat burning and energy production, supporting weight loss and enhancing physical performance. Furthermore, ginseng improves mental clarity and cognitive function, reducing fatigue and enhancing focus.
- [H5] Amur cork bark, sourced from the *Phellodendron amurense* tree, is a key ingredient in Puravive. It boosts BAT levels, enhancing calorie burning and aiding in weight loss. This ingredient also supports digestion by reducing bloating and promoting a healthy gut. Its anti-inflammatory properties help alleviate digestive issues, supporting overall gastrointestinal health. Furthermore, amur cork bark benefits heart and liver health by reducing inflammation and protecting against

oxidative damage.

- [H5] Propolis, a resinous substance crafted by bees, boasts centuries of medicinal use. Packed with more than 300 antioxidants, it fights oxidative stress and promotes holistic well-being. Enhancing BAT levels, propolis amplifies fat burning and energy production. It aids in maintaining healthy blood sugar levels by boosting insulin sensitivity, thereby lowering diabetes risk. Its antimicrobial properties fortify immune defenses against infections. Moreover, propolis accelerates wound healing and tissue repair, crucial for overall health and vitality.
- [H5] Quercetin is a flavonoid found in many fruits and vegetables, known for its powerful antioxidant and anti-inflammatory properties. By boosting BAT levels, quercetin enhances the body's ability to burn calories and support weight loss. It also supports healthy blood pressure by relaxing blood vessels and improving blood flow. Quercetin helps rejuvenate aging cells by reducing oxidative stress and promoting cellular repair. Its anti-inflammatory properties help reduce the risk of chronic diseases and support overall cardiovascular health. Quercetin also supports respiratory health by reducing inflammation in the airways and improving lung function.
- [H5] Quercetin, a flavonoid abundant in fruits and vegetables, boasts potent antioxidant and anti-inflammatory attributes. It elevates BAT levels, enhancing calorie burning and aiding weight loss. Additionally, it promotes healthy blood pressure by relaxing blood vessels and improving circulation. Quercetin combats oxidative stress, rejuvenating aging cells and facilitating cellular repair. Its anti-inflammatory prowess mitigates chronic disease risks and bolsters cardiovascular wellness. Furthermore, it supports respiratory health by alleviating airway inflammation and enhancing lung function.

- [H5] Marjorie Brown - Wyoming, USA
- [H5] Luna R. - New York, USA
- [H5] Pros
- [H5] Cons
- [H5] Puravive products are suitable for all skin types, including sensitive skin.
- [H5] Ingredients may vary by product, but common ingredients include hyaluronic acid, peptides, vitamins, and botanical extracts.
- [H5] Puravive products are generally well-tolerated, but individuals with specific allergies should review the ingredient list carefully.
- [H5] Shipping options vary by retailer. Check the shipping policy to see if international shipping is available.
- [H5] Store Puravive in a cool, dry place away from direct sunlight and moisture.
- [H5] It is not recommended to use any supplement past its expiration date as its effectiveness and safety may be compromised.
- [H5] Puravive offers a 180-day satisfaction guarantee, allowing customers to return products for a full refund if unsatisfied.
- [H5] Some Puravive products may help manage acne by promoting balanced skin hydration and clarity.
